The Company then filed its answer, and also a motion for continuance, which was granted.

Pete Schell was brought into Court this morning at 10 o'clock and sentenced to the Territorial prison for a term of five years.

**COURT NOTES.**  
W. H. Rogers made an efficient Deputy Sheriff.  
District Court Clerk Larkin performed his duties well.  
Judge Sumner Howard returned to Prescott Wednesday night.  
The Grand Jury completed their labors on Wednesday and were dismissed.  
The famous "jackass case" caused considerable merriment in the court room.  
T. G. Norris received many compliments for his eloquent plea in behalf of Tucker.  
Judge Wright expressed his surprise at the verdict returned by the jury in the Tucker case.  
Hon. Harris Baldwin ably assisted District Attorney Williams in the Kitty Blonger case.  
The members of the Mohave county bar are all hard workers and can hold their own with any attorneys in the Territory.  
The Grand Jury ignored the charge of murder against D. M. Fay, as they did also the charge of forgery against James Wilson.  
A number of ladies listened to the argument in the Kitty Blonger case on Friday afternoon. They were attentive listeners.  
Sheriff Steen and Under Sheriff Kuenner have had a busy week, and they will appreciate the rest that will follow the closing of Court.  
District Attorney Williams feels relieved now that the arduous duties imposed upon him during the week have been finished, and he can now take a much needed rest.  
Judge Wright is a hard worker and pushes things at a lively rate, without seeming to do any thing in haste. Night sessions were held and no time wasted in getting cases to trial. It made hard work for the attorneys, but the calendar was cleared and that within the week. Short terms of Court and hard work seems to be the motto of the present Chief Justice of Arizona.

John Barry this week leased the Minnesota mine to Messrs. McLaughlin, McCall, Trembath and Harvey.  
Patey Collins returned Thursday from a trip to the vicinity of the Moss mine, and reports everything looking well in that section.  
Thos. Eager, the Superintendent of the Kingman Mining Company, was in town Tuesday and reports everything as moving smoothly at the 78.  
John H. Campbell the manager of the Flores Consolidated Gold Mining Company, was in town Wednesday looking after the shipment of the new pumps to the mine.  
The Sunlight, on which the Oliver Bros. have been doing a great deal of work is now producing fine ore. A ledge of fine ore was struck in the drift at the bottom of the new tunnel, and the Oliver Bros. will reap a rich reward for their hard labor.  
J. F. Luthy has been appointed Superintendent of the Golden Gate Mining and Milling Company in place of C. J. McLaren resigned. The probabilities are, that if there is anything in this property that Mr. Luthy will bring it out as he is the right man in the right place and we anticipate favorable developments in this property in the near future.  
From Mineral Park we get the following notes:  
The Gross Bros. make a shipment of ore this week.  
Mike Daley is taking out some fine ore from a new claim.  
John Granville has a carload of lead ore ready for shipment.  
It is rumored that the Rural mine will soon be worked on a lease.  
Sullivan and his partners are taking out some fine chloride ore.  
A new strike has been made by Mr. Shaw near and below the Lone Star.  
C. E. Sherman has struck a very fine body of rich ore in the Independence at Chloride.  
Messrs. Twigg and Thompson have about eighty tons of ore on the Vanderbilt dump.  
Steve Smith, who is working the Altata on a lease is taking out some very fine copper ore.  
The new strike on the Keystone is proving richer each day and the lessees, Messrs. Mehan and Uncapher, have a large body of high grade ore uncovered.  
The mining outlook at Mineral Park is brighter at present than for several months past and the prospect is that the camp will resume its old time prosperity.

**Report of the Grand Jury.**  
To the Honorable, the Judge of the District Court of the Third Judicial District of the Territory of Arizona, in and for the County of Mohave.  
We, the Grand Jury, empaneled at this April term, respectfully submit the following report:  
We have diligently investigated all cases brought before us by the District Attorney and have found one (1) indictment for murder, two (2) for grand larceny and have ignored one (1) charged with murder and one (1) with forgery.  
We have also inquired into all other matters brought before us, but have found no further cause for indictment.  
The report of the expert employed by our Supervisors to examine into the affairs of the county was carefully examined, and although we notice, through a great part of the time the report covers, a degree of carelessness and negligence which was inexcusable, we have resolved that there is no tangible cause for our action thereon, beyond the indictments now on file among the records of the Court.  
FORESTER S. DENNIS,  
Foreman of the Grand Jury.

**A Woman's Discovery.**  
"Another wonderful discovery has been made and that too by a lady in this county. Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She bought of us a bottle of Dr. King's New Discovery for Consumption and was so much relieved on taking first dose that she slept all night and with one bottle has been miraculously cured. Her name is Mrs. Luther Letz." Thus writes W. C. Hamrick & Co., of Shelby, N. C. Get a free trial bottle at H. H. Watkins' Drug Store.

**The Verdict Unanimous.**  
W. D. Sult, Druggist, Bippus, Ind., testifies: "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles and was cured of Rheumatism of 10 years' standing." Abraham Hare, druggist, Belleville, Ohio, affirms: "The best selling medicine I have ever handled in my 30 years' experience is Electric Bitters." Thousands of others have added their testimony, so that the verdict is unanimous that Electric Bitters do cure all diseases of the Liver, Bile, or Blood. Only a half dollar a bottle at H. H. Watkins' Drug Store.
